### 2022 Cliff Lede Sauvignon Blanc, Napa Valley

Our Sauvignon Blanc is a lively, yet elegant, expression of this varietal that gathers its complexity from both the diversity of terroir running north to south in the Napa Valley and from the inclusion of the rich and unctuous Sémillon grape. This blend includes Sauvignon Blanc and Sémillon from our estate vineyards in Calistoga, Stags Leap District, and Carneros. A grower vineyard in eastern Rutherford is home to old vines planted to a heritage Musqué clone that provides density, richness, and lemon citrus notes. Finally, old vine Sémillon from another site in Calistoga gives the wine an expansive mouth-coating richness that is the hallmark of our style.

“Vivid and inviting, the 2022 Sauvignon Blanc brims with energy and an elegant vivaciousness. The refreshing aromatics soar on layers of casaba melon, pineapple, and honeysuckle flowers. Flavors of kiwi, white peach, mango, and cucumber glide seamlessly along the palate with accents of sea salt, warm brioche, and persimmon tinged on the long and brightly tuned finish. A splendid note of flinty minerality persists on the tongue as this wine of poise and contemplation bids the taster for another sip.”
